

Get FirstNet!

FirstNet is the dedicated wireless communications platform built to meet the unique needs of public safety.

With FirstNet, you get:

- First Priority®, which provides priority access to network capacity at all times
- 24/7/365 customer support
- No throttling for FirstNet subscribers anywhere in the U.S.

You can purchase FirstNet service in one of two ways:*

A. If your organization has a qualified FirstNet contract, your organization must verify your eligibility. You then receive an email invitation to complete a user profile and receive an authorization code to purchase FirstNet online or at your local AT&T store.

- OR -

B. If your organization does not have a qualified FirstNet contract, you have 2 options:

- Visit firstnet.com/signup to complete an online application and eligibility verification process before you make your purchase, or
- Visit your local AT&T store with your organization I.D. You'll complete an online application process, make your purchase, and then have 30 days after activation to successfully complete the online eligibility verification process.

*To purchase a FirstNet Responder plan as a Subscriber Paid User, you must be a verified current employee of, or active volunteer for, a qualified public safety entity who is providing services or performing functions in the area of law enforcement, fire protection, emergency medical services (including emergency departments at health care facilities), emergency 911 call dispatch, National Guard or emergency management. Your eligibility for FirstNet service will be verified by your public safety entity if it has a FirstNet contract, a Subscriber Paid Foundation Account and active Administrator; if not, through a process begun in an AT&T retail location or firstnet.com/signup. You will be subject to periodic re-verification. You must have an AT&T Wireless Customer Agreement and an individual FirstNet account. You will be limited to 3 FirstNet Responder lines of service —1 each of phone, tablet and wearable. **If you are not a verified Subscriber Paid User or are in violation of the single line limit for each device, AT&T may suspend, change or terminate your FirstNet service.** See firstnet.com/firstnetresponder for verification and other details.
